This Agreement is the contract which covers your and our rights and responsibilities concerning the Online Banking and Mobile Banking (together, "Banking Services") offered to you by Grow Financial Federal Credit Union ("Grow"). The Banking Services permit you to electronically initiate account transactions involving your accounts. In this Agreement, the words "you" and "yours" mean those who request and use this Service, any joint owners of accounts accessed under this Agreement or any authorized users of this Service. The words "we," "us," and "our" mean Grow. The word "Account" means any one or more share account you have with Grow. By requesting and using the Banking Services, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any amendments. In addition to the terms herein, you acknowledge the receipt and incorporation herein of the terms of your Universal Account Agreement ("UAA") with Grow, which shall also govern our relationship with you. To the extent that the terms of a specific provision this Agreement vary from the terms set forth in the UAA, the specific terms and conditions of this Agreement will govern our relationship with you with regard to the services specially described herein.

### 1. Services.

**a. Account Access.** If we approve your request for Banking Services, you may use your personal computer or mobile device to access your accounts through the Internet. You must use your user name and password code to access your accounts. Your accounts can be accessed via personal computer, mobile devices, or the Grow App. The Banking Services will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing and/or scheduled maintenance. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are made payable to you as the primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered or after numerous unsuccessful attempts to enter a transaction, and there are limits on the duration of each access.

You will need a personal computer or mobile device to access the Internet. You are responsible for the installation, maintenance and operation of your computer and mobile device. Grow will not be responsible for any errors or failures involving any your telephone service, computer or mobile device.

If you do not access your Online Banking Service for a period of 180 consecutive days, we may deactivate your access to all Online Banking Services. You may reactivate your account by contacting our Member Contact Center at (813) 837-2451 or (800) 839-6328 during normal business hours. You may also stop by one of our stores for assistance. If you choose not to access your Online Banking Services for a period of 365 consecutive days, your access to Online Banking Services will be deleted altogether. You may reactivate your account by re-registering through Online Banking Services. If you have agreed to electronic statements, you will continue to receive monthly or quarterly email notifications regardless of whether your Online Banking Services are deactivated or deleted. In order to obtain your statements, you must reactivate your Online Banking Services by contacting us as listed above or by re-registering. If you choose not to reactivate your Online Banking Services, please contact the credit union and we will convert you to paper statements (fees may apply).

**b. Types of Transactions.** At the present time, you may use the Banking Services to:

- Withdraw funds from your savings, checking, money market, and club accounts;

**c. Service Limitations.** The following limitations may apply in using the services listed above:

**(i) Transfers.** You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement, the UAA or your loan agreement.

**(ii) Account Information.** The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for ATM transactions and our Funds Availability Policy.

**(iii) E-Mail.** Grow may not immediately receive E-mail communications that you send and Grow will not take action based on E-mail requests until Grow receives your message and has a reasonable opportunity to act. If you need to contact Grow immediately regarding an unauthorized transaction or stop payment request, you may call 813.837.2451 or 800.839.6328.

You may cancel or stop payment on one-time, manual, and automatic payments under certain circumstances. If you discover an error in or want to change a payment instruction (i.e. payment date or payment amount) for a payment that you have already scheduled for transmission through one of the Banking Services, you may electronically edit or cancel your payment request in the same manner. Your cancellation request must be entered and transmitted through the Banking Services prior to the date the account is debited for the payment. If your request is not timely entered, you will be responsible for the payment.

**(iv) Inappropriate Transactions.** You warrant and agree that you will not use any Banking Services or any other Grow accounts or other services, including but not limited to loans, to make or facilitate any illegal transaction(s) as determined by applicable law; and that any such use, including any such authorized use, will constitute a breach of this Agreement. Certain federal and/or state laws or Card Service Providers' Rules may limit or prohibit certain transactions such as (but not limited to) those coded as possible gambling transactions. Grow may decline to accept, process or pay any transaction that we believe to be illegal or unenforceable (regarding your obligation to pay us or otherwise) under applicable law; or which is otherwise limited or prohibited, including but not limited to any transaction involving or relating to any gambling activity. Such prohibition or limitations may affect some otherwise proper or allowable transactions such as debits, charges or other transactions at or relating to a hotel-casino. You understand and agree such limitations/prohibitions are not within Grow's control and that Grow will not have any liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s); or for declining to accept, process, or pay any such transaction. You further agree to indemnify and hold Grow harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from any such use of your account and/or access devices.

**2. Stop Payment Order Request.** You may request a stop payment order on any check drawn on your account. To be binding, an order may be authorized by agreeing to the terms online or in the store. Stop payment requests may also be presented in writing, in which case they must be dated, signed, and include: the number of the check, its date, the name of the payee, the exact amount, and the account number. The stop payment will be effective if the credit union receives the order in time for us to act upon the order and you provide the information described above.

You understand that the exact information is necessary for the credit union's systems to identify the check. If you give insufficient, untimely or incomplete information, we will not be responsible for failing to stop payment on the check. If the stop payment order is not received in time for us to act upon the order, we will not be liable to you or any other party for payment of the check. If we re-credit your account for paying a check over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the check and assist us in any legal action against the payee.

**a. Duration of the Order.** You may make an oral stop payment order which will lapse in 14 calendar days unless confirmed in writing within that time. Stop payments that are confirmed in writing or through the Banking Services are effective for 180 days and may be renewed in writing or through Online Banking from time to time. We do not have to notify you when a stop payment order expires. Should the payment be presented during the 180-day period from the date of the call, we will return payment and the stop will no longer be valid. For ACH stop payments please see the disclosures you received at the time you requested the ACH Stop Payment.

**b. Liability.** Fees for stop payment orders are set forth in the Fee Schedule. You may not request stop payment on any official check, cashier's check, or any other check or payment guaranteed by the credit union. Although payment of an on-us item may be stopped, you may remain liable to any item holder, including the credit union. You agree to indemnify and hold the credit union harmless from all costs, including attorney fees, damages or claims relating to our refusing payment of an item, including claims of any joint owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

**3. Security of Password.** The password that you select is for your security purposes. The password is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping your password. You agree not to disclose or otherwise make your password available to anyone. If you authorize anyone to use your password, that authority shall continue until you specifically revoke such authority by notifying Grow. If you fail to maintain the security of this password and Grow suffers a loss, we may terminate your Services and account services immediately.

**4. Liability for Unauthorized Access.** You are liable for all transfers made via your passwords that you authorize or allow. If you permit someone else to use your password(s), you are responsible for any transactions they authorize or conduct on any of your accounts. In order to maintain secure communications and reduce fraud, you agree to protect the security of your numbers, codes, marks, signs, password(s), or other means of identification.

We reserve the right to block access to the services to maintain or restore security to your Banking Services and our systems if we reasonably believe your password(s) has been or may be obtained or are being used or may be used by an unauthorized person(s). You will bear the liability or the risk of any error or loss of data, information, transactions or other losses which may be due to the failure of your computer system or third-party communications provider on which you may rely.

If your statement shows transfers that you did not make, tell us AT ONCE by calling 813.837.2451 or 800.839.6328 during normal business hours or write: P.O. Box 89909, Tampa, FL 33689-0415. You should also call this number or write to this address if you believe a transfer has been made using the information from your account without your permission.

You are responsible for all transfers you authorize under this Agreement. If you permit other persons to use the Services or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has used your access code or accessed your accounts through Services without your authorization. Telephoning is the best way of keeping your possible losses down. If you tell us within two (2) business days, you can lose not more than \$50 if someone accesses your accounts without your permission. If you do not tell us within two (2) business days after you learn of the unauthorized use of your account or access code, and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows Banking Services transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

**If you believe that someone has used your access code or has transferred from your account without your permission, call Grow at 813.837.2451 (Hillsborough), or 800.839.6328 during normal business hours or write: P.O. Box 89909, Tampa, FL 33689-0415.**

**5. Business Days.** Our business days are Monday through Friday, excluding federal holidays.

**6. Fees and Charges.** We will notify you of any changes as required by law. If you request a transfer or check withdrawal from your line of credit account, such transactions may be subject to charges under the terms and conditions of your Loan Agreement.

**7. Periodic Statements.** Transfers, withdrawals, and bill payments transacted through Services will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly. You may also elect to receive your periodic statements electronically.

**8. Account Information Disclosure.** We will disclose information to third parties about your account or the transfers you make:

- a. As necessary to complete transfers;
- b. To verify the existence of sufficient funds to cover specific transactions upon the request of a payee or a third party, such as a credit bureau or merchant;
- c. To comply with government agency or court orders;
- d. If you give us your written permission.
- e. In accordance with our Privacy Policy.

**9. Credit Union Liability for Failure to Make Transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you and the instructions you transmit, we will be liable for your actual losses or damages. However, Grow will not be liable.

- a. If, through no fault of ours, you do not have adequate funds in your account to complete a transaction, your account is closed, or the transaction amount would exceed your credit limit on your line of credit, if applicable.
- b. If you used the wrong access code or you have not properly followed any applicable computer, Internet, or Grow user instructions for making transactions.
- c. If your computer fails or malfunctions or the Banking Services were not properly working and such problem should have been apparent when you attempted such transaction.
- d. If circumstances beyond our control (such as fire, flood, telecommunication outages, postal strikes, equipment or power failure) prevent making the transaction.
- e. If the funds in your account are subject to an administrative hold, legal process or other claim.
- f. If you have not given Grow complete, correct and current instructions so Grow can process a transfer.
- g. If the error was caused by a system beyond Grow's control such as a telecommunication system or your Internet service provider.
- h. If there are other exceptions as established by Grow from time to time.

**10. Termination of Services.** You agree that we may terminate this Agreement and your use of the Banking Services if you or any authorized user of your account or access code breaches this or any other agreement with us; or if we have reason to believe that there has been an unauthorized use of your account or access code. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. However, termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

**11. Notices.** Grow reserves the right to change the terms and conditions upon which this service is offered. Use of the Services is subject to existing regulations governing your accounts and any future changes to those regulations. You agree that any electronic messages or records you transmit or create may be usable for any subsequent reference in the event of any dispute regarding your account or any account transaction.

**12. Error Resolution Notice.** In case of errors or questions about your transactions, telephone us 813.837.2451 (Hillsborough), 727.791.4206 (Pinellas), 727.376.0300 (Pasco) or 800.839.6328, or write to us at Grow Financial Federal Credit Union, P.O. Box 89909, Tampa, FL 33689-0415 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears.

- a. Tell us your name and account number.
- b. Describe the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- c. Tell us the dollar amount of the suspected error.

**13. Enforcement.** You agree to be liable to Grow for any liability, loss, or expense as provided in this Agreement that Grow incurs as a result of any dispute involving your accounts or Banking Services. You authorize Grow to deduct any such liability, loss, or expense from your account without prior notice to you.

If you tell us verbally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days (five (5) business days for VISA® Debit Card Point-Of-Sale (POS) transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a POS transaction, or foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days (five business days for Visa® Debit Card POS transactions and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not provisionally credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless you already have an established account with us before this account is opened. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation and reverse the provisional credit. You may ask for copies of the documents that we used in our investigation.

- the Sender's account at the Sending Institution is being monitored for suspected fraudulent or other illegal activity;
- the Sending Institution or Receiving Institution otherwise declines to process the Service Transfer for risk-management, legal, or regulatory reasons; or
- the Service is unavailable.

In addition, completion of a Service Transfer may be delayed if the Service Transfer is subject to review by the Sending Institution or Receiving Institution for fraud, regulatory or compliance purposes. Service Transfer Requests are typically completed within 20 seconds of transmission of the Service Transfer Request by the Sender, unless the Service Transfer fails or is delayed as described above.

If you are the Sender, we will notify you if a Service Transfer fails. If you are the Receiver, we will not communicate to you that the Service Transfer has failed. If you have not received a Service Transfer that you were expecting, you must contact the Sender.
