¹High Yield Business Checking Account

This is a variable tiered rate account. The APYs quoted are subject to change. The APY may change after the account is opened. Fees could reduce earnings on the account. If the average daily balance falls below \$10,000, a \$15 monthly fee will be charged.

Dividends will be compounded every month. Dividend will be credited to your account every month.

Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

²Certificate Accounts

The APYs are subject to change. Fees could reduce earnings on the account. A penalty will be imposed for early withdrawals. If the Account is opened with \$100,000 or more, you must maintain a daily balance of \$100,000 in your Account each day to obtain the disclosed APY. If the Account is opened with less than \$100,000, you must maintain a minimum daily balance of \$500.00 in your Account each day to obtain the disclosed APY. If your Account falls below the minimum balance requirements, your Account will be closed.

Accrual Dividends on Noncash Deposits – Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Debit Card Point of Sale Transaction Limitation-Maximum spending limit is \$3,000 daily.
